Afternoon Tea

The joy of drinking a cup of tea cannot be described in simple words, as it brings many individuals together from various walks of life. The relationships it creates are often lasting and ones to cherish.

Many have described the experience of drinking a good cup of tea in hundreds of ways and quotes and we can certainly relate to William Gladstone's who once said:-

*"If you are cold, tea will warm you;
If you are too heated, it will cool you;
If you are depressed, it will cheer you;
If you are exhausted, it will calm you"*

So, here at Park Grand London Heathrow we are delighted to offer you the traditional afternoon tea experience to remember!
